

Annual Dinner meeting, 16 February, 1980

Lakehead Amateur Radio Club

*[Copied from the March, 1980 Hi-Q; Mike Wolowich - VE3HZW, Editor. Since this was the dinner meeting little or no records survive the ravages of time and except for the memories, this summary is all that remains.]*

Last month the Club held the annual dinner meeting at the Royal Edward Hotel. A good attendance was recorded with both hams and their guests enjoying the meal.

It was good to see "JC" Bailey - VE3DGZ there to present the Fickle Finger Award to its new owner.

We were also treated to some slides and films of the Club's activities over the past few months. After the meeting, there was a transmitter hunt. The wives and their ham husbands tried to find a hidden BC band transmitter somewhere in the room.
